

JANUARY 2021 NEWSLETTER

Happy New Year!

I know we're all looking forward to putting the worst of the pandemic behind us as vaccinations roll out this year. While it will still be some time before we're able to safely resume our in-person book sales and related events, we will continue to find ways to share our books and love of reading with you!

Volunteers have been busy adding lots of great new books to the [Friends Online Book Store](#). If you haven't looked lately, now is a good time to check out our inventory and find some bargain reading material for online purchase and contact-free pickup.

In February, you will see Friends volunteers on the Library plaza every Saturday, weather permitting, with a selection of store-quality books. Friends members who stop by—including members who join that day—will be able to choose a book to take home and keep. It's our way to say thank you for your membership.

I want to offer my heartfelt thanks to everyone who has supported our efforts through book donations, volunteer activities, online store purchases, memberships and donations. You are each helping us make a difference for the library we all love.

Thank you,

Karen Curtin

Board President

Be A Friend

Membership in the Friends of Chapel Hill Public Library is a low-cost/high-impact way to support one of our community's treasures. An all-volunteer organization, the Friends uses all of the money we raise to support the library's programs, services, and collections.

Membership starts at just \$25/year (\$10 for students). While we can't hold in-person events and offer members benefits related to our Big Book Sales during the pandemic, we are pleased to offer members a monthly discount at our Online Book Store. Best of all, your membership gives you the benefit of knowing that you are supporting your community through the library. Please join or renew today!

Friends Funds at Work

If you've used the Library's Park & Pick Up Service, then you know that there are some new parking spaces in the upper parking lot. You may not know how they came to be...

Friends funds! Those additional parking spaces were made possible by a generous gift of \$185,000 from the Friends of the Library. The gift was given pre-COVID, when we received daily complaints about the lack of parking and how it created a barrier to access for so many users. With this gift, the Friends were able to help remove this barrier and make the library more accessible to more of our community.

While those spaces stand empty now, we know that once move past COVID, our community will need us more than ever. I like to imagine the day when we return to normal operations, with smiling faces streaming through our doors. I think they'll be smiling because their beloved library is open again – and because it was so easy to find a parking space!

With gratitude,

Susan Brown
Library Director

Events

Love Your Library. Join the Friends!

We are celebrating love throughout February! From 10 a.m. to 2 p.m. each Saturday in February (weather permitting), Friends volunteers will be stationed at a table near the Library's Park and Pickup door. Friends members are invited to stop by and choose a free book from the selection we'll have on offer.

February is also a great time for you to show your love of the Library by becoming a Friend! [Join online](#) or at the table where you can choose a book as a thanks for becoming a member.

Each week, we'll do a random drawing among all new and renewed members for a \$20 gift certificate to the Friends Online Book Store. Just another way that we show our love for our members who help us help the Library!

We'll post on our [Facebook](#) page if inclement weather prevents us from being at Park and Pickup.
