

NOVEMBER 2020 NEWSLETTER

Welcome!

Welcome to the inaugural issue of our online newsletter! Each issue will be filled with news about upcoming events, book recommendations, Friends-funded projects, and much more. Be sure to follow us on [Facebook](#) to stay current on Friends news.

The phrase “necessity is the mother of invention” definitely applies to the Friends this year. When we had to cancel our Big Book Sale in April, we created our first ever Virtual Book Sale Weekend.

When the Friends Book Store had to close, we started selling books through the new [Friends Online Book Store](#). And while we were not able to display our beautiful raffle baskets this fall, we will be displaying 24 incredible items in our “[Beautifully Bookish](#)” online auction which opens for bidding this Friday, December 4.

This has been a year of reinvention for the Friends and we're busy preparing for more of the same in 2021. Thanks to everyone who has supported our efforts through online purchases, [memberships](#) and donations. The Library needs all of us!

Thank you,

Karen Curtin

JOIN / RENEW

Be A Friend

Membership in the Friends of Chapel Hill Public Library is a low-cost/high-impact way to support one of our community's treasures. An all-volunteer organization, the Friends uses all of the money we raise to support the library's programs, services, and collections.

Membership starts at just \$25/year (\$10 for students). While we can't hold in-person events and offer members benefits related to our Big Book Sales during the pandemic, we are pleased to offer members periodic discounts at our Online Book Store. Best of all, your membership gives you the benefit of knowing that you are supporting your community through the library. Please join or renew today!

Friends Funds at Work

Chapel Hill Public Library is so excited to launch the University Place Lockers, a new service that is made possible with Friends funding.

The University Place Lockers will provide another option for Library users to easily pick up items, 24 hours/7 days a week.

The project was started in a pre-COVID world, as a way to relieve the parking issues at the Library and offer "grab and go" customers an alternative to circling the lot for a parking space. In COVID times, the lockers will provide another safe, contact-free option in addition to the library's popular Park & Pick Up service. The State Library of North Carolina awarded the Library nearly \$100,000 in competitive federal grant funds, with the Friends providing an additional \$28,000 in matching funds and Ram Realty providing the site for the lockers and some additional in-kind support.

Here's how it works:

1. Place holds through the online catalog and select the pick up at "University Place Lockers" option.
2. Wait until you receive an email that your hold is ready.
3. Go to the lockers — located outside at 201 S Estes Dr, next to Alfredo's Pizza.
4. Scan your library card or type in your library card number.
5. Grab your materials, close the door, and enjoy.

With gratitude,

Susan Brown
Library Director

Launched in September, the Online Book Store offers good books at great prices! With more than 2,500 books available in a variety of categories, you're sure to find something you love. With the upcoming holidays, you may also want to purchase a book or online gift card for the special book lover in your life.

It pays to visit us often because we add lots of new books every week. Keep checking our "Special" category for new additions and special offerings. This month, we added a North Carolina category, featuring books about North Carolina and/or by North Carolina authors.

While prices are always great, Friends members also receive periodic discounts on store inventory.
